If you suspect a vulnerable adult is being abused, neglected, or exploited, please report it by using this online reporting system;

OR, if you would like to remain anonymous, call the State of Ohio's Adult Protective Services Referral Line at 855-644-6277 (855-OHIO-APS).

(Mandated reporters, we encourage you to use the online portal in non-emergency situations to help keep our telephone referral line less busy.)

Thank you for your partnership in keeping one of our most vulnerable populations protected!
