

# Do You Know Someone Who Needs Help Cutting Prescription Drug Costs?

***We may be able to help!***  
**Is that person on Medicare?**

Whether currently enrolled in a Part D plan or not, if approved for Extra Help there are no late penalties, most or all monthly premium is paid (in addition to very low copays for medications) and with a continuous enrollment period. There is no cost to apply and compare the best drug plans.

Area Agency on Aging Region 9, Inc. (AAA9) has partnered with The Ohio Senior Health Insurance Information Program (OSHIIIP) to help potentially eligible older adults save on their Medicare costs.
